 Current Address: Chandlodia, Ahmedabad – 382481

About Me

A dynamic Computer Engineering student with a passion for event management and teamwork. With a blend of technical expertise and on-ground event execution skills, I thrive in fast-paced environments, ensuring every project runs smoothly and successfully. Whether it's managing large-scale events or collaborating with teams, I bring innovation, leadership, and problem-solving to the table.

Education

 B.Tech in Computer Engineering

Aditya Silver Oak University, Ahmedabad

Event Management Experience

 International Kite Festival, Ahmedabad – Coordinated event logistics, team management, and execution to create a seamless experience for attendees.

 Cycle Marathon, Ahmedabad – Managed participant coordination, event planning, and ensured smooth operations during the marathon.

Skills & Strengths

 Event Planning & Execution – From ideation to completion, I ensure smooth event operations.

 Team Leadership & Coordination – Skilled in working with diverse teams for maximum efficiency.

 Problem-Solving & Decision-Making – Quick thinker in high-pressure event scenarios.

 Technical & Analytical Skills – Bringing a tech-driven approach to event management
